

RF23J9011SR/SG

22.5 cu. ft. 4-Door Flex™ Refrigerator

Stainless Steel
(Shown)

Black Stainless Steel

Features

- FlexZone™
- Large Capacity – 22.5 cu. ft.
- Triple Cooling System
- Metal Cooling
- Ice Master Ice Maker in the Refrigerator
- Surface LED Lighting
- Fingerprint Resistant Coating
- ENERGY STAR®-Compliant
- Stainless Steel Accents on Interior Shelving and Door Bins
- Tempered Glass Spill-Proof Shelves
- EZ Slide-Out Shelves in Freezer and FlexZone™
- Flip-Up Shelf
- Gallon Door Bins

Convenience

- Door Alarm
- Water Filter Indicator

FlexZone™

Triple Cooling System

Signature Features

FlexZone™ Convertible Zone

- Flexible, bottom-right door changes to a fridge or freezer, maximizing fresh food storage space.
- Five customizable fridge temperature settings: Cool at 2°C, Cheese Veggie at 1°C, Chill/Meat at -1°C, Soft Freeze at -5°C, and Freezer at -15°C to -23°C.

Triple Cooling

- Premium cooling system provides precise temperature control in all three zones, using one compressor and three evaporators, an industry first,¹ for ultimate freshness.

¹Among consumer-grade freestanding refrigerators.

ENERGY STAR®-rated

22.5 cu. ft. 4-Door Flex™ Refrigerator

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 22.5 cu. ft.

Refrigerator: 13.64 cu. ft.
