

MC11J7033CT

SAMSUNG

1.1 cu. ft. Microwave with Convection

Signature Features

Ceramic Inside™

- Features a smooth ceramic interior that is easy to clean and won't scratch or discolour over time. Scratch-resistant interior is made to last.

Slim Fry™

- Technology combines a grill with warm air circulation, so food is cooked crispy inside and out using only a touch of oil.

Power Defrost

- Power Defrost lets you defrost frozen foods quickly and evenly, ensuring that it retains its original freshness and texture. So you can enjoy delicious meat, poultry, fish, bread, cake and fruit whenever you want.
