* Based on laboratory testing when compared with Samsung Electric and Samsung Gas cooktop ranges

FLEX DUO OVEN

- The spacious 5.8 cu. ft. oven splits into two ovens with the Smart Divider™ to cook at two different temperatures at the same time.
- No noticeable transfer of aroma.

CHEF BAKE

- Chef Bake regulates the heat level and delivers consistent cooking temperature, minimizing fluctuations.

PREMIUM DESIGN WITH GUIDING LIGHT CONTROLS

- Intuitive controls offer simple, step-by-step instructions for choosing cooking options.
- Only illuminates cooking options that are able to be selected and goes from left to right, eliminating back and forth.
